Sir,

I have the honor to submit the accompanying copy of letter No 130 dated the 20th instant from Mr G. Stuart Wright Special Magistrate, Kolar Gold Fields applying for a horse allowance for himself under the circumstances therein represented and I beg to support the application. Unless a pony or horse is kept by the Special Magistrate, it is next to impossible for him to go over the different camps to look to sanitation, and as fodder and grain and wages at the Gold Fields are very dear, I request that a horse allowance of Rs 30 may be sanctioned to be paid on the Magistrate certifying monthly to his having maintained

Sir,

I have the honor to represent that in his letter of appointment to me the Dewan laid great stress upon my devoting a portion of my time to the sanitation of the Gold Fields and to the prevention of accidents. This I have done ever since I took up my duties as a reference to my correspondence with you, and my diaries will show my work in this respect has been still further increased by the recent out break of Cholera. For the purposes of Sanitation alone I have to traverse the Gold Fields a distance of about 9 miles and about 1 mile in breadth besides inspecting the neighbouring

Villages

Villages of Oriyum, Soonatoopa Muokim, Gollapalli, and Soorapalli and the Godi land all of which are intimately connected with the Gold Fields by reason of many Employers residing in and frequenting these Villages. My reason for bringing these matters to your notice is that I find myself unable to perform this duty of inspection properly except on horse back and owing to the heavy Expense of living at the Gold Fields my pay is hardly sufficient to enable me to keep a horse. For this purpose therefore I would request you kindly to move the Dewan to grant me a horse allowance.

Sir,

With reference to your memo No. 1173/18 dated the 2nd May 1891 forwarding copies of correspondence regarding the appointment for one year of Mr. Hume Wright as Special Magistrate, Kolar Gold Fields, I have the honor in submitting for favorable consideration the accompanying copy of Mr. Wright's letter No. 251 of the 7th Ultimo, to state that it gives me much pleasure to bring to the notice of Government the efficient manner in which he has discharged his duties both as a Magistrate and as a Sanitary Officer.

2 In his latter capacity, he is constantly required to be on the move inspecting all the Mining Camps and the neighbouring villages. This work involves much travelling which could not be performed without a horse. It is certainly hard to expect him to keep a

from on his present pay of Rupees 300 in a dear place like the Gold Fields.

3. I would therefore beg that in confirming Mr. Wright in his present appointment, the Government will be pleased to grant him a horse allowance of Rupees 30 per mensem as already recommended in this office letter No. 1545/3708/358 dated the 25th August 1891.

With Reference to Your Reply No 134/90 dated 16 July 1892 to my letter No 342 of the 8th instant I have the honor to state that Government by its Proceedings No 5754-5/141 dated 30th June 1892 have been good enough to sanction my drawing horse allowance at the rate of Rupees 30 per mensem from the 1st July 1892. I respectfully beg to submit to the Government that when I applied personally to the Dewan in February last he was pleased to grant me the horse allowance and as I kept a horse from the date of my joining my appointment bona fide for Government work I would ask the Government to kindly grant me the allowance from the date of my joining, as I have been

been put to great expense in this place in keeping an animal. Ever since I joined and during all the cholera and breaks I have ridden round all the Camps and Villages within 2 to 5 miles of the lines almost daily as my diaries and reports will show and have done my best to carry out the wishes of the Govt in attending to Sanitation, Vaccination etc in addition to my Judicial work. Under these circumstances I would respectfully request you to kindly recommend my application to Government to allow me to draw the allowance from the date of my joining—

Sir,

I have the honor to submit for the orders of Government the accompanying copy of letter No: 378 dated the 1st Instant from the Special Magistrate, Kolar Gold Fields, with its Enclosure, (in original) his Batta bill for the months of June 1892.

2 Mr Wright claims full daily allowances for journeys performed by him on public business outside his ordinary circle of duty, viz, the Gold Fields and surrounding villages.

3. The Special Magistrate has been given the Criminal work of the Malur and Mulbagal Talukas besides Bowringpet and during the prevalence of Cholera at the Gold Fields, I had to request him to hold Court at

at Bowringpet in order to prevent the spread of the epidemic to the other Talukas.

To

The Deputy Commissioner
Kolar District.

Sir,

With reference to your docket No. 324/214 dated 29/31 July '92 returning my Batta Bill for the 30th day of June 1892 for travelling to Bowringpetta and back, with directions to deduct horse allowance for that day, I have the honor to submit that my horse allowance is only allowed for travelling within my own circle of duty, the Gold Fields and surrounding villages on Sanitary duties, under article 543 of the M. Service Regulation, and not for the journies to the Talugs or head quarters of the District in connection with my judicial work outside my circle, as I am Special Magistrate of the Kolar Gold

Gold Fields alone. Under your orders during the prevalence of Cholera at the Gold Fields I have been compelled to go to Bowringpetta to try cases from the Taluq there, and such journies cost me more than the daily allowance of Rs 3, the distance being 18 miles and 2 furlongs I am unable to draw mileage. It is impossible for me to ride there and back two or three times a week and the hire of Jutka and my food is not covered by the daily allowance. I am most willing to do all I can in the service of Government, but my pay at the Gold Fields is so low for such an expensive place, that I cannot afford to lose by these journiess. By deducting my horse allowance I am only entitled to Rs 2 daily which is absolutely insufficient to proceed to Bowringpetta and back and provide myself with food. I would further point out that the daily allowance of Rs 3 is drawn under Article 549 and is intended by the words of that article only to cover

ordinary

ordinary daily Charges and clearly does not include cost of the journey.

I would respectfully request you to submit my letter to Government with my bill* and obtain permission for me to draw mileage to Bowringpetta as the circumstances of my journeying there are special and not provided for in the letter of my appointment, and the application of Article 545 to my case inflicts a pecuniary loss upon me in obeying your orders.
